## ***Military Appreciation, Honoring Those Gone Before Us, and Celebrating Freedom***

Early summer is a very Patriotic time around the United States. **Armed Forces Day** is the 3<sup>rd</sup> Saturday in May, established as a way to recognize those currently serving in our nation's military and national guard. This year, **Wenatchee Valley College Veteran Knights** hosted their 4<sup>th</sup> annual Armed Forces Day event on May 17<sup>th</sup>. With support from the College, local veterans organizations, and community-focused businesses, the public was able to learn about the military, our area resources, and grab a free lunch.

On the last Monday of May, we honor those men and women who died while serving in the military. **Memorial Day** is a solemn occasion to reflect on those American patriots who made the ultimate sacrifice. Here in North Central Washington, we take this responsibility seriously. All around the region, veterans organizations and patriotic groups come together with their local communities to honor our fallen comrades.

# 4<sup>th</sup> of July Events

As the May holidays wind down, we begin to prepare for the next patriotic event, our nation’s celebration of Independence. Most localities feature some sort of public, community event with food, music, and family entertainment, often culminating in a fireworks display after dark. Here are just a few of the events in our area.

### Wenatchee Valley

“Breakfast for Heroes” by Cashmere Valley Bank at Pybus Market, 7-10:30am

Food, Music & Family Entertainment at Walla Walla Point Park all day

Fireworks w/ Symphony starting 9:45pm

**Festival of America, Grand Coulee Dam** Visitor Center July 3 & 4, with fireworks immediately following the laser light show the second night.

**Moses Lake Freedom Festival**, McCosh Park July 5 & 6 [www.moseslakefreedomfest.com](http://www.moseslakefreedomfest.com)

**Osoyoos Lake Veterans Memorial Park**, Oroville, July 4

**Manson Bay** fireworks July 4, **Chelan Bay** fireworks July 6

**Kinderfest**, Leavenworth, July 4

**Chesaw Rodeo**, July 4

## Successful WWII Dance

Our WWII themed community dance and launch event for Operation Creation went really well. Everyone loved the Pin Ups on Tour and felt the entertainment was top notch. With around 100 attendees, many from Wenatchee, we raised just over \$1,000 while gaining valuable exposure and directly connecting with our community. We made sure to honor those WWII veterans that came out, as well. If you missed it, fear not! We are already planning our next annual event.

Our office phone number will be changing in the near future. We will keep the old number active for about a month overlap, to ensure a smooth transition.

I will be in Leavenworth on Friday, June 7<sup>th</sup> and July 5<sup>th</sup> (10am - 1pm) at Kristall's, and in Chelan on Thursday, June 13<sup>th</sup> and July 11<sup>th</sup> (9am - noon) at the Apple Cup Cafe.

There is news that the VA is halting the decision about all Blue Water Navy Vietnam Veteran claims until final decisions are reached internally on how to grant them benefits. As you've heard, these decisions will potentially affect over 90,000 Veterans.

The Vet Corps end of year celebration will be held at the DayBreak Star Indian Cultural Center in Seattle on June 28<sup>th</sup>.

The Facebook page is live! I'll be sharing events and information from the local veterans organizations I am connected with, so make sure to Like and Follow the Douglas County Veterans Service Officer page.

My first outreach in Bridgeport went well. A local veteran from the VFW Stopped by and let me know he'd spread the word. I'll be up there again on June 18<sup>th</sup> and every month on the 3<sup>rd</sup> Tuesday.

I hope you all had an opportunity to attend one of the many Memorial Day events. I was honored to sing the Anthem at 3 of the events, and I am grateful for the opportunity to recognize the sacrifices of those who've gone before me.

## ***Veteran Owned Businesses***

The Washington State Department of Veterans Affairs certifies businesses owned by Veterans, and there are some valuable potential benefits for pursuing the process.

Being certified may increase your marketability, not only in the larger business community, but also to local and state governments, to contractors who are hired by the government and offer subcontracting opportunities, and to agencies and prime contractors who search for certified firms in centralized databases.

State and local agencies set participation goals to utilize certified veteran-owned businesses for a certain percentage of their annual expenditures, recognizing that improving opportunities for veteran-owned businesses drives innovation and economic growth, and translates to stronger Washington communities.

**Washington State Veteran Owned Business Certification** is a free process, requiring only veteran discharge status and basic business information. For more details about the process, required documentation, and other benefits the VOB Certification provides, please visit <http://www.dva.wa.gov/program/veteran-owned-business-certification>

## **The Bunker**

Officially known as **NCW Vets Serving Vets**, The Bunker is a non-profit in Wenatchee formed in 2008 for the sole purpose of helping veterans in need, whether the need be VA paperwork support, emergency assistance, or referrals to other veteran resources in the area. Being an all-volunteer run organization, more help is always welcomed.

During the week, Veterans and dependents can stop in at the Bunker for coffee, snacks, and camaraderie, or to request help of any kind. If we can't help you, we know who can.

Our newest fundraiser items have arrived - t-shirts, sew-on 4" patches, and challenge coins. We ask for a minimum donation of \$15 for the shirts and \$5 for the others. Make great conversation starters.

## Closing Notes

I hope you found something useful, interesting, helpful, or otherwise worthwhile this time around. In fact, it would be most helpful if you could visit [www.ncwveterans.info/feedback](http://www.ncwveterans.info/feedback) and complete the **newsletter feedback form** to let me know what you think.

Because this is still so new, it's bound to change and grow over time. In order to reach more veterans, I'm exploring options for distribution locations and methods. And because this costs money, I'm looking into selling small ad space. I'm also open to receiving support in the form of financial gifts. You can **help cover my costs** by mailing a check to PO Box 3849 Wenatchee, WA 98807, by making a contribution online at [www.ko-fi.com/sunfire](http://www.ko-fi.com/sunfire), or using the Donate link on [www.ncwveterans.info](http://www.ncwveterans.info)

I sincerely appreciate all of your support, in whatever form it takes. Please remember, I can't put all of this information out there if I can't find it, and I can't be everywhere at once (even if it feels that way some days). I need folks like YOU to contact me with any news, events, groups, or other veteran-related **information to share** so I can put it out on the website, the Facebook page, or in this newsletter. You can get in touch with me anytime via email [whatsnew@ncwveterans.info](mailto:whatsnew@ncwveterans.info) or call/text (509) 433-7879.

~Connie
